Re: ICWA Workshop Teleconference

Hello Tribal Parents and Young Tribal Members,

I am sending an invite to join us for the third ICWA (Indian Child Welfare Act) 2017 Workshop Teleconference to be held on **29 September 2017 at 2pm Alaska time**. The toll free phone number listed to call is **1-800-528-2793** and code: **4508289**.

Our guest speaker this month is Evelyn Wassily with BBNA Family Services. She will share with us her insights on the subject of Child Abuse Prevention from her experience in the Alaska field of family services. Our workshops are general in nature and confidentiality is always protected as we cover this subject that impacts our families here in the great state of Alaska and across the country as a whole.

I hope that you will make the time on 29 September to call in for this very important workshop. When I was in college many years ago, a wise man told me that every man/woman is my teacher. I will be calling in for this workshop myself to learn from Evelyn Wassily, even though I will not be here in the office that day in person.

Thanks,
